Efstratios G. Papkelis was born in Mytilene, Greece, in 1979. He received the Dipl. Eng. Degree in Electrical and Computer Engineering from the National Technical University of Athens (NTUA), Athens, Greece, in 2002. He has received a Ph.D. from NTUA (2007) after completing a thesis on the Radiocoverage in Cellular Systems of Mobile Communications Using Electromagnetic Propagation Techniques. He is a member of the Technical Chamber of Greece since November 2002. His main research interests include high-frequency electromagnetic techniques, radiocoverage in cellular wireless systems, methods of Radar Cross Section analysis and mobile communications.
